

A Purr-fect Day at Geisha Cat Cafe

This month, our lively K1/Hamster class embarked on an exciting adventure to the Geisha Cat Cafe, where we discovered the joys of feline company and the enchanting world of our new furry friend, Orange.

Meet Orange, the Lovely Cat

Our visit to the Geisha Cat Cafe introduced us to Orange, a lovely cat with a personality as big as himself! The children were thrilled to interact with this feline friend, sharing laughter and joy as they explored the enchanting world of whiskers and wonders.

The cafe provided a play area where our K1/Hamster class could interact with even more friendly felines. Playful moments and gentle petting added to the overall experience.

THE VO

Beyond the Whiskers

Teacher-Guided Pet Care Session: In a designated corner, Ms. Venessa our teacher, conducted a special session on how to care for pets responsibly. Ms. Venessa read aloud the rules and guidelines, ensuring that our K1/Hamster class understands the importance of respecting and caring for animals.

Cat Playtime: The cafe provided a play area where our K1/Hamster class could interact with other friendly felines. Playful moments and gentle petting added to the overall experience. Whilst getting ready to head back to school, each of us received a gift from the lovely staff! A little box packed to the brim with stickers and pins!

As we reflect on our delightful visit, we extend our heartfelt thanks to the Geisha Cat Cafe for providing our K1/Hamster class with a memorable and enriching experience!
