

From our HIK family to  
yours,

*Merry Christmas!*

The halls of HIK were alive with joy and cheer as we celebrated a sparkling Christmas show that exceeded all expectations. We are delighted to share the magic and excitement of this special event with you.

Our little stars at HIK worked tirelessly in the weeks leading up to the Christmas show, pouring their hearts into rehearsals and perfecting their magical performances.

Santa Claus himself heard the joyous commotion at HIK and decided to make a surprise visit. The jolly man in red brought smiles and laughter, delivering presents to each and every one of our little ones.

After the heartwarming performances, mommies and daddies joined us in our classrooms for a continuation of the festivities. Together, we enjoyed fun activities and class parties that added an extra layer of joy and togetherness to this special day.

The Christmas show and the activities that followed created cherished memories for our HIK community. The laughter, smiles, and shared moments reinforced the sense of family that makes HIK such a special place.

**Looking forward to seeing you in the New Year**
